CHURCH BULLETIN

On Sunday Dec. 12th, Rev. J.
W. Oliver will be assisted by
Rev. H. D. Marr, of Calgary,
who will preach on behalf of who will preach on behalf of the Bible Society at the follow-

the bule decect at the localing places.

Blusson school at 2.30.
Champion at 7.30.
Mr. Marr is a gifted speaker and all are cordially invited to

near him.
Choir practice on Wednesday at 8 o'clock.
The Trail Rangers will meet in the church on Friday evening

Last Tuesday evening Mr. Last Tuesday evening Mr. Oliver and Mr. Sweet gave a lantern entertainment in the Sanderson schoolhouse which was greatly appreciated by the large avdience present.

Card of Thanks

W. A. Manhard wishes to thank the many friends of Champion and vicinity for the kindness and sympathy shown during his recent illness.

Matrimonial.

A quiet wedding was solemnized at the Union Church parsonage on Monday morning, Dec. 6th, when Mr. Joseph E. Glenn and Miss E. Hooper, both of Champion, were united in marriage. Rov. J. W. Oliver officiating.

The best wishes of the community are extended to the bride and groom.

Do your Christmas Shopping curly. Only a few days more.

Golden Rule Women's Institute

On October 29th, there On October 29th, there was a dance held at Alston School-house, for the purpose of raising funds to buy an oil-store, which the Institute is placing in the Alston school for the present, that the school may have the benefit of same, to assist in making hot lumehes. There was a good time, and \$17.45 net realized from the proceeds.

We have also to report an unusually splendid success both socially and financially at the box social and dance at the Alston school, Friday Nov. 26tb, the net proceeds amounting to \$174.00. The success of the \$174.00. The success of the ovening was largely owing to the assistance and co-operation of the Alston branch of the U.F.A. We wish to thank them sincerely, not only for their aid but also for attendance the whole organization with only a few exceptions being present.

duplicate of the original Ename's marmlande jar, Frank with the following results:
having brought in a supply of this for the benefit of subscribers.

Subscribers who have helped Mrs. B. I. Galbraith, its vice-president; Mrs. N. Mac-lived, know she is doing will in the contest. We hope to see her bring home one of the big cars to Champion.

Anyone wishing to renew or take a subscription should leave same at Sissons before Dec. 18th, where they will be appreciated.

There are five simple ways to tell good tea.

First, by the bright copper color of the tea when steeped. Second, by the exquisite aroma.

Third, by the de-lightful, refreshing flavor.

Fourth, by the satisfying richness.

Filth, by the economical strength.

Make a brewing and you will find all these qualities combined in Red Rose.

Mr. E. W. Beatty, president of the Canadian Pacific Railway Company has been telling the people of Minneapolis that the Canadian west is going to be Canadian west is going to wonderfully prosperous in the same future. Mr. Beatty must wonderfully prosperous in the near future. Mr. Beatty must have forgotten that the country at large did not get a 40 per cent, increase in revenue as did the C. P. R. and that far from cent. increase in revenue as dia the C. P. R. and that far from there being prospects of extra good times ahead the people who have given the situation any study agree that the whole of Canada is facing what will be serious crisis unless every cunce of good sense is used to combat it. The quicker a, agg is provided for the E. W. Beattys, particularly when they go away from home, the better. The head of an organization that would accept increased freight rates from the farmers of the west under prevailing conditions and then talk about good times coming is the limit.

the official According to hangman the parties requiring his attention are all foreign born, but two English speaking prisoners having been executed prisoners having been executed in the past eleven years. This is the result of assisted emi gration and the belief that its absolutely necessary to fill this country full of people, regardless of the class. This system has been worked this country tun or personal regardless of the class. This system has been worked to such an oxtent that it would be hard for a Canadian to realize that large portions of the country are actually in Canada, and not in the middle is in power, such a state

MUST WIDEN OUT

Premier Drury evidently has no illusions as to the future of the labor control the legislation hande farmers' party if class features are not eliminated from their organ ization and support accepted from every available source delivered at Chatham. Ont., recently

delivered at Charmani, votto reconst, the said:

"I am going to say something which I from will not be approved of by all the constraints of Ordario, but if we are to containe of Ghearia, but if we are to centiage of the party. If it containes to branch out, if it containes to be such out, if it containes to be adopted. I would christen it, not the farmers' party, but take provided the party and take presentation in that party and there will going to build up agriculture, regard-mave to do as Defore long we will still have representation in that party and there will still have representation in that party and there will still have representation in that party and there will still have representation in that party and of the farmer banks have all the community; and or that party will have to be seen the still the party derives to see carried out, and to one to be desired to whom the name of the party they vote with its a matter of indifference and the People's Progressive Party would answer as well as any other will a square and the People's Progressive Party would answer as well as any other will be a sufficient to the small, These banks were and the party device with a matter of indifference and the People's Progressive Party would answer as well as any other will be a surface and the People's Progressive Party would answer as well as any other will be a warning agring text extension in class novement in any form. The local total system and the proposed of the party that the party that the party that the party that the party they not with the party they not with its a matter of indifference and the People's Progressive Party would answer as well as any other will be a warning agring text extension in class novement in any form. The local total system and the property of the party will all the party that the party th

and the Peopless Progressive would answer as well as any other, and, whose only objection to the farmers' organization was its escaped classive features, fostered largely by leaders in the west.

This failures should be a warm would as well and the proposed of the united States is vicious enough the proposed of the United States is vicious enough the proposed of the United States is vicious enough to the United States is vicious enough to the proposed of the United States is vicious enough to the proposed of the United States is vicious enough to the prop

There is a tendency at the present time on the part of a great many people to trace all their trouble to place of a statisfactory legislation in use of credit in any one line, and real-connection with their particular line by adds the farmers by giving them of activity. While it might not be accommodation up to, but not exceed correct to state that it makes it little for what is assentiable, and possible to the commodation up to, but not exceed the state of the commodation up to, but not exceed the state of the commodation up to, but not exceed the state of the commodation up to, but not exceed the state of the commodation up to, but not exceed the commodation up to but not exceed the commodation up to, but not exceed the commodation up to but not exceed the commodation up to, but not exceed the commodation up to but not exceed the commo correct to state that it makes little ing what is essentially a safe difference to any individual in any The Toronto Mail and Empire.

Parliament and Legislature

Parliament and Legislature

The task of framing a constitution for the Dominion of Canada was undertaken just at the time when the United States was engaged in a life and death struggle between the States of the North and the Southern Confederacy. The war of secression arrow out of the issue of States' rights, individual States chaining and asserting their right to the exercise of certain autonomous rights and powers and charging interference and susurption of those rights and powers by the Federal authority at Washington.

With the grin results of ouch a dispute over "State" rights before them, the fathers of the Canadaha Confedera as though and powerful Federal authority at the states of the Canadaha Confederacy as the constitution of the Canadaha Confederacy as the constitution of the Canadaha Confederacy as the constitution of Canada is based on the reverse principle to that which was recognized in Framing the constitution of the United States.

By the constitution of the bilg American republic, all powers not expressly recorrected upon the Provincies are exercised to the Federal Government Declared upon the Provincies are exercised to the Federal Government. This marked difference in the underlying principle of the discussed in the constitution of the continuity of the Canadaha of the

ity, rather than the development of strong Province. Consequently, the constitution of Canada is based on the reverse principle to the continuition of Canada is based on the reverse principle to the continuition of Canada is based on the reverse principle to the continuition of the two cointries frequently leads to misunderstanding of the powers and functions of Provincial Governments on the great and the constitution of the two cointries frequently leads to misunderstanding of the powers and functions of Provincial Governments on the great and demands are this country from affect Governments which it is not within their powers and functions of Provincial Governments which it is not within their powers and jurisdiction to grant.

It is manifestly impossible in a brief article to attempt even a base of the contribution of the exclusive powers conferred by the British North America upon the Dominion Parliament, on the one hand, and Provincial sky of North Dakota assurance and jurisdiction to grant.

It is manifestly impossible in a brief article to attempt even above the contribution of the exclusive powers conferred by the British North America upon the Dominion Parliament, on the one hand, and Provincial Systems of the Capitatures on the other hand. Suffice it is to say that united of a national character, and tions having the contribution of t

Liberals Sustained in B.C.

Five Liberal and One Opposition Elected in Vancouver.

Vancouver, B.C.—With returns still incomplete the standing of the parties in the provincial elections is given as: I wenty-three len independent, two Labor and one Socialist. Three Liberals and one Conservative, with S-24, and the capital with 6474, Canon Hinderlength, two Labor and one Socialist. Three Liberals and one Conservative have been returned in Victoria, Premier Oliver leading the poil in the capital with 6474, Canon Hinderlength, two Labor and one Socialist. Three Liberals and one Conservative have been returned in Victoria, Premier Oliver leading the poil in the capital with 6474, Canon Hinderlength, and the capital with 6474,

Unemployment Among Veterans Increasing

Ottawa.—Telegraphic reports recrived by the Dominion headquarters
of the GW.V.A. indicate that unemployment among returned men is becoming serions. The worst reports
come from the west, Toronto andMontreal. In the industrial centres
by the situation is not so but.

From Regina a report is to hand
that married men are on the verge of
starvation, and that the association
funds are low.

starvation, and that the association
funds are low.

Found for the property of the start of Alberta, looking for employment.

- Vancouver reports the unemployment situation as very serious, as
does Toronto.

V.A. advices, men with minor disabilities especially are finding great difficulty in securing work, as they are
not able to do heizly manual labor.

From Montreal comes word the
going to be mich worse, as a minher of large companies are being
forced to lay off men.

The situation is one which has already been taken up a confirment

Record of Crime in Ireland for Past Year

673 People Killed er Wounded in Ireland up to Nov. 27.
London—Bersons to the number of 673 have been killed or wounded in Ireland up to November 27 of the present year. On the present year of the present year of the present year of the present year. On the present year of the present year of the present year of the present year. On the present year of the present year of the present years of the ye

arms.

Another statement says the arrestein Ireland averaged considerably over 100 weekly. During the last three weeks of November, 400 per sons were taken into custody for political offeness, including 109 during the last week of the month.

This pronouncement was made by Earl Beatty when he received the degree of Doctor of Laws at Edin burgh University recently. Ear Beatty is the retiring Lord Rector The degree was conferred as a symbol of the intense appreciation ohis services to the nation.
